OFFICE OF THE DIRECTOR OF INDUSTRIES AND COMMERCE IN MYSORE, BANGALORE.

No. T. E. C.,—35-36, dated 14th December 1935.

The following letter No. C. 684 D.—35, dated 21st November 1935 along with a notification dated 24th June 1935, received from the Secretary to the Commissioner for Government Examinations, Madras, prescribing certain rules for the benefit of the candidates appearing from the Mysore State for the Government Technical Examinations, Madras, is published for general information.

D. SESHAGIRI RAO,
For *Director.*

I have the honour to inform you that the rules relating to the admission of candidates for the Government Technical Examinations are embodied in the notification regulating the Government Technical Examinations and the conditions of admission are published in the "Fort St. George Gazette" from time to time. One of the rules is that the candidates who do not possess the prescribed general educational qualification should obtain the previous permission of the Commissioner for Government Examinations, Madras.

It has been found by experience that the candidates who appear for the Government Technical Examinations in subjects other than "Commerce" do not get acquainted with the rules and conditions of admission published in the Gazette, from time to time. Candidates who do not satisfy the conditions of admission remit the examination fees and apply for the examination without obtaining the previous permission of the Commissioner for Government Examinations, Madras. In order to avoid the hardship to candidates consequent on the rejection of such applications, the Commissioner for Government Examinations, Madras, is indirectly forced to relax the rules of admission. The Commissioner for Government Examinations, Madras, has therefore, now decided to enforce the rules strictly from next year and I am desired by the Commissioner for Government Examinations, Madras, to request you to be so good as to bring this to the notice of all heads of schools sending up candidates for the Government Technical Examinations in subjects other than "Commerce". A copy of the rules of admission is enclosed marking the portion. Ordinarily the candidates who do not

possess the prescribed general educational qualification will have to apply for permission before the end of July every year, and a notice to this effect will be published in the " Fort St. George Gazette " early in July every year.

Application for the November examinations will be received in the office on or before the 31st August every year and applications after that date will be accepted only on payment of a penal fee of Re. 1 for fifteen days only.
